PH: 215-679-9275 • FAX: 215-679-0386

June 16, 2021

Dear Liturgical Ministers,

Let us together praise and thank our Loving God for all of His many blessings upon us. Let us, also, give thanks as we approach the end of the COVID pandemic that has disrupted so many lives with illness, death, financial hardships and daily stresses. Thankfully we seem to be getting our lives back to some semblance of normalcy. As restrictions have been lifted we felt it was safe to begin scheduling altar servers and lectors on our usual three-month schedule. Until the restriction of Holy Communion with cups is lifted we will not be scheduling Extraordinary Ministers of Holy Communion.

Below you will find a few reminders pertaining to your ministry.

- **All:** Masks are not required. However, it is strongly suggested that you wear a mask if you have not been completely vaccinated.
- **Servers:** please be dressed and in the sacristy 15 minutes prior to Mass so you will be available to help the priest and deacon prepare for Mass.
- **Lectors:** If you are assigned with another lector please meet with them prior to Mass to make sure you both know the other is present and to work out any detail you deem necessary.
- **Lectors:** Please let the priest and/or deacon know you are present no later than 10 minutes before Mass. If we do not know you are here we may look for a replacement for that Mass.
- **All:** The next schedule (October, November, December) will be sent out in mid-September. Please let us know if you have unavailable dates no later than September 1.

Thank you,

*Deacon Mike Franks*
